Opportunity Inc. provides services to individuals with disabilities in Marathon, Portage and Wood Counties. AbbyBank offered us the services we needed and they are exceptionally friendly and helpful. More recently, AbbyBank awarded grant funding to assist us with a special project for one of our programs. We feel like we are part of the AbbyBank family and we trust that AbbyBank will be there to assist us to further our mission "To Advance the Independence, Productivity, and Full-Citizenship of Adults and Children with Disabilities".
