## Fourmens Farm Home

Fourmens Farm Home, locally owned and operated in the communities of Colby, Loyal and Medford, approached AbbyBank in 2016 for assistance in purchasing an existing facility and opening our third location in Colby, WI. Our focus is in outdoor power equipment, sporting goods, paint, hardware, pet & ranch, Lawn and garden along with many other goods and services. We presented a business plan and package for expanding to consolidate current liabilities and purchase a third store. After our initial meeting and allowing AbbyBank Management to perform their due diligence, we were able to successfully complete the project. The transition over to AbbyBank has been very smooth and it's been a pleasure dealing with them ever since.
